Thank You for Supporting Lutherhaven!

Why Sponsor?

Your sponsorship supports our mission to provide places and programs for kids, families, and individuals to Encounter Creation ... Create Community ... Commune with Christ! All funds raised go directly to the Lutherhaven Fund. This fund allows camp to offer affordable, tiered pricing and ensures EVERY child has the ability to attend camp, regardless of ability to pay.

It's a great investment in the community with high returns. We all know the benefits of getting children unplugged and outdoors with opportunities to build relationships with significant role models who share the transforming love of Jesus.

It keeps your business name and brand in front of the community. Your organization will be recognized at the event, on our website, and in promotional materials (see brand exposure details in additional information under each level). Position your brand to be a key element in a wonderful gathering of people who love kids, outdoor ministry, and God's Creation!
